## Editor's Note

As editor of the 1979-80 Annual Staff, I hope this annual will have a special meaning to each and everyone of you. Being a member of the annual staff means devoting oneself fully to working with others in trying to achieve an ultimate goal. The Spectrum staff has devoted much of their time and has worked very hard to present Pinecrest with a successful annual. With all the disappointments and the accomplishments throughout the year, the staff kept the determination which was its biggest asset to the success of the 1979-80 annual. It is a rewarding experience to know that I have helped produce a successful annual and I am proud to be a part of it.

I would like to convey my sincere appreciation and gratitude to the 1979-80 annual staff, to the annual representative, Mr. L. Turlington and a special thanks to Ms. Carroll, a very loyal and dedicated advisor.

I wish and hope that the 1980 SENIOR CLASS will have a prosperous and fulfilling life, and I hope that each has enjoyed his senior year as much as I.

# Dedication

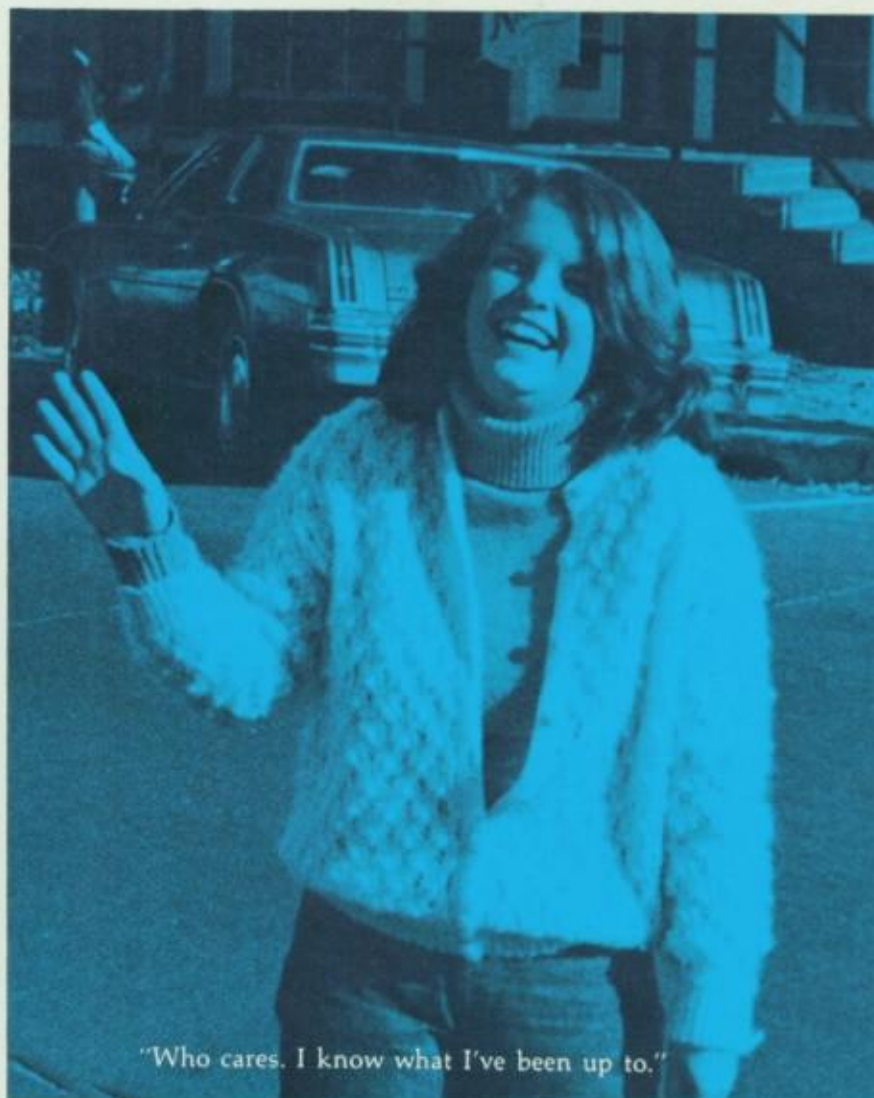

Our four years of high school are almost completed, but, before we leave, we wish to recognize our principal, Mr. A. H. McMillan, who has given so much of himself to our school and its students. His countless acts of leadership and guidance that have been left unthanked will probably never be fully realized. We, the Class of 1980, now have the opportunity to show our appreciation in this small way by affectionately dedicating our annual to him.

# STUDENT LIFE

"I'll walk a mile for a Spectrum."

"Who cares. I know what I've been up to."

## FOOD FOR THOUGHT

We are just here for a spell and pass on. Any man that thinks civilization has advanced is an egotist. . . . We know a lot of things we used to didn't know, but we don't know any way to prevent 'em happening.

So get a few laughs and do the best you can. Take nothing serious for nothing is certainly depending on this generation. Each one lives in spite of the previous one and not because of it.

Believe in something for another world but don't be too set on what it is, and then you won't start out life with a disappointment. Live your life so when even you lose you are ahead.

Will Rogers, from The Will Rogers Book

At the end of twelve years of growing, learning, and loving, we have finally reached the end of a lengthy, yet rough and rocky road. We are grateful for having spent those remaining years of our development at Pinecrest High School. As we leave our school campus for the last time, we would like to ask our peers this question:

**"DO YOU KNOW WHERE YOU ARE GOING TO?"**

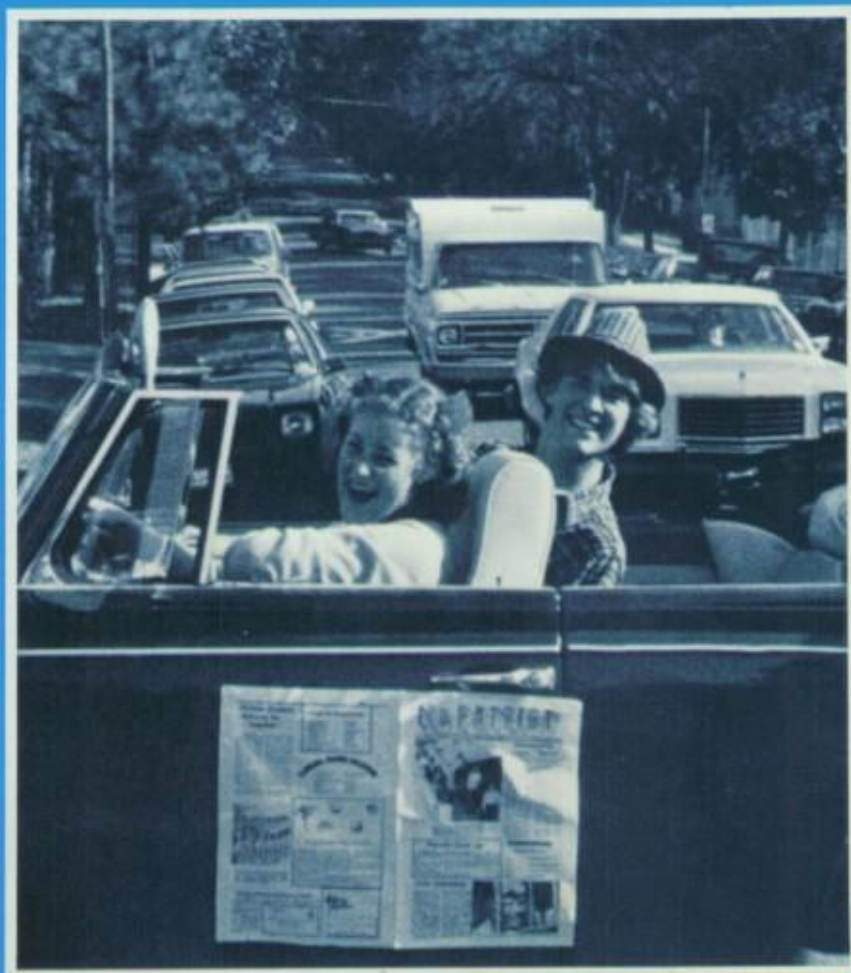

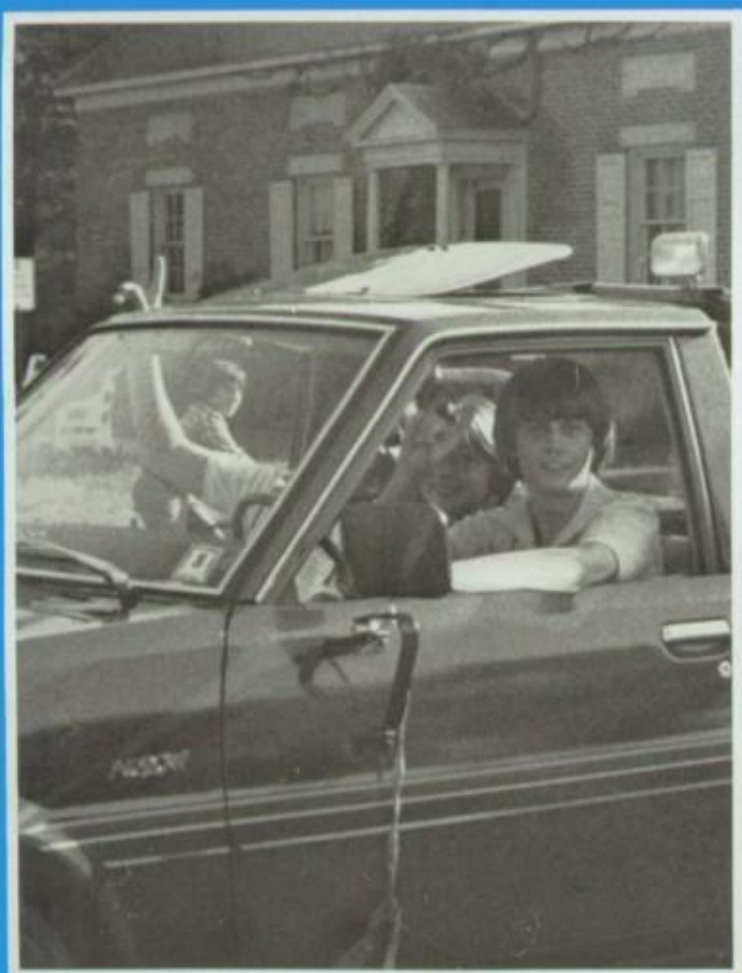

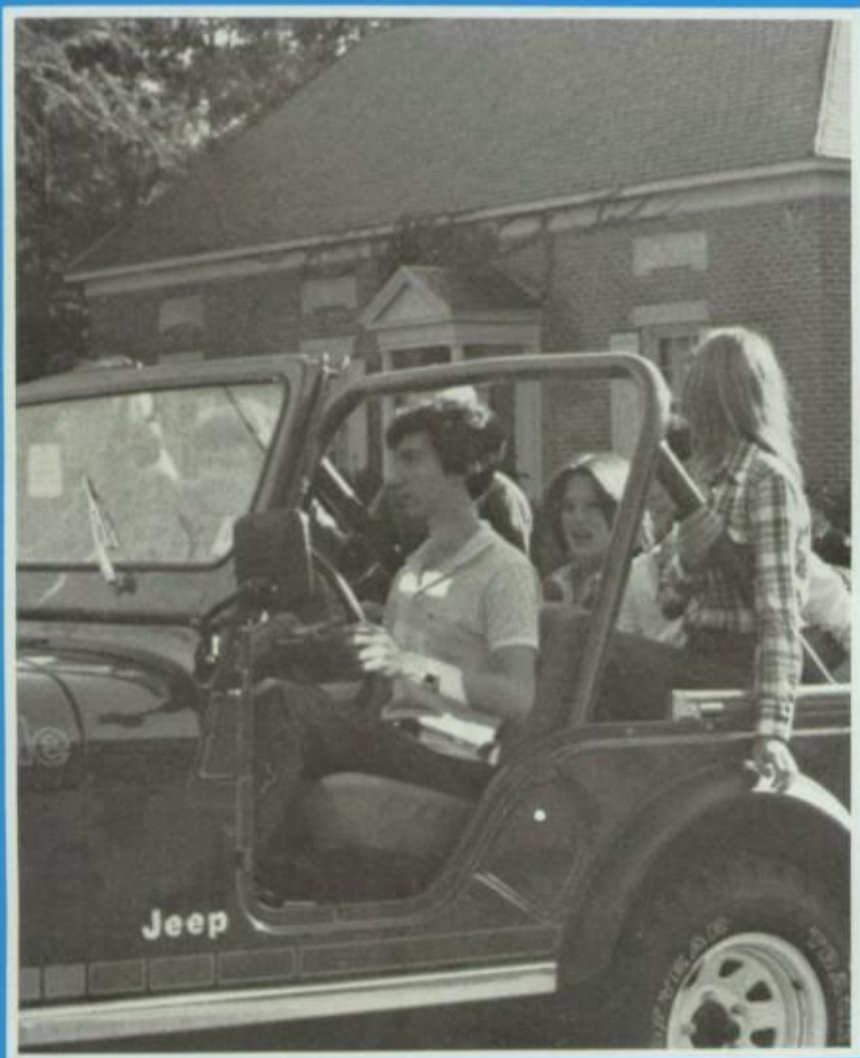

(Seniors on The Annual Staff)

"We've come a long way baby!"

DO YOU KNOW  
WHERE YOU'RE  
GOING TO?

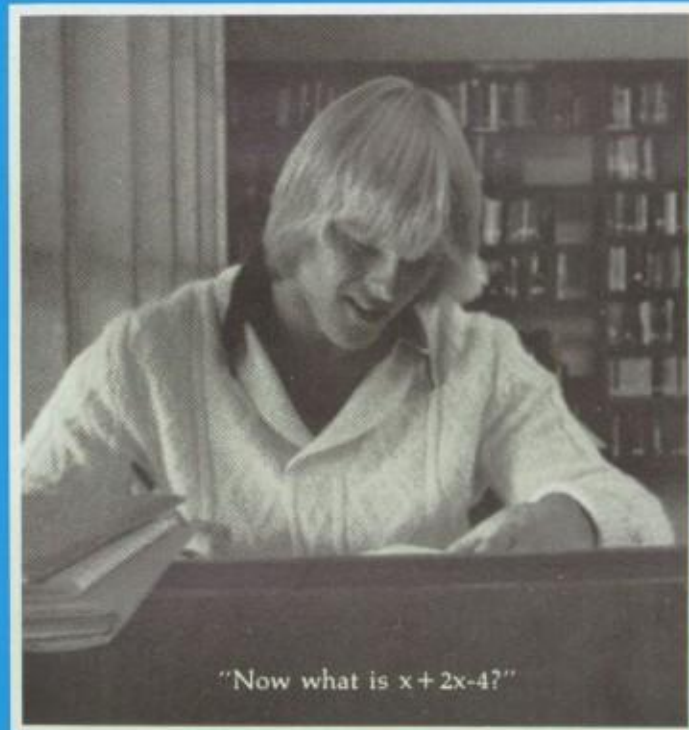

*Do You Like The Things That Life Is Showing You,  
Where Are You Going To,  
DO YOU KNOW?*

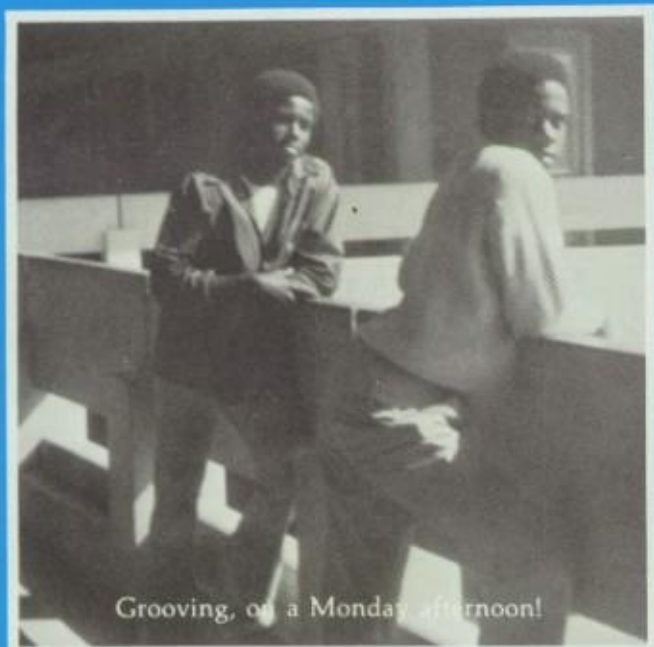

"Where's the party?"

Everybody knows that we are the PATRIOTS!

"Now what is  $x + 2x - 4$ ?"

Grooving, on a Monday afternoon!

# Teacher Recognition

CATHERINE H. OAKES

As the doors of Pinecrest High School were first opened in 1969, Kay Oakes was seen enthusiastically greeting students in the home economics area. She has continued to receive students in this same manner since that time.

Now, after fourteen years of teaching in the Moore County Schools, she has other interests as she retires at the close of this school year.

Mrs. Oakes — we're happy to have known you and may God bless you always.

Hats Off!

Husband, father, linguist, educator, traveler, coach are some of the many toppers worn by James "Jimmy" Moore.

His quiet demeanor on and off campus seems to be a jux ta position in view of his blitzkrieg of wins in his classroom and on the basketball court. The refrain of ha Marseillaise have echoed through his classroom and provided the impetus for travels to French speaking countries.

James Moore still finds time to serve in the church, community affairs and Little League sports. Viva ha Moore — A man of reason in all seasons. Oey.

*Teacher of the Year* is a reward sponsored by The Association of Classroom Teachers of the North Carolina Association of Educators. Selected is arrived upon by various teachers and administration.

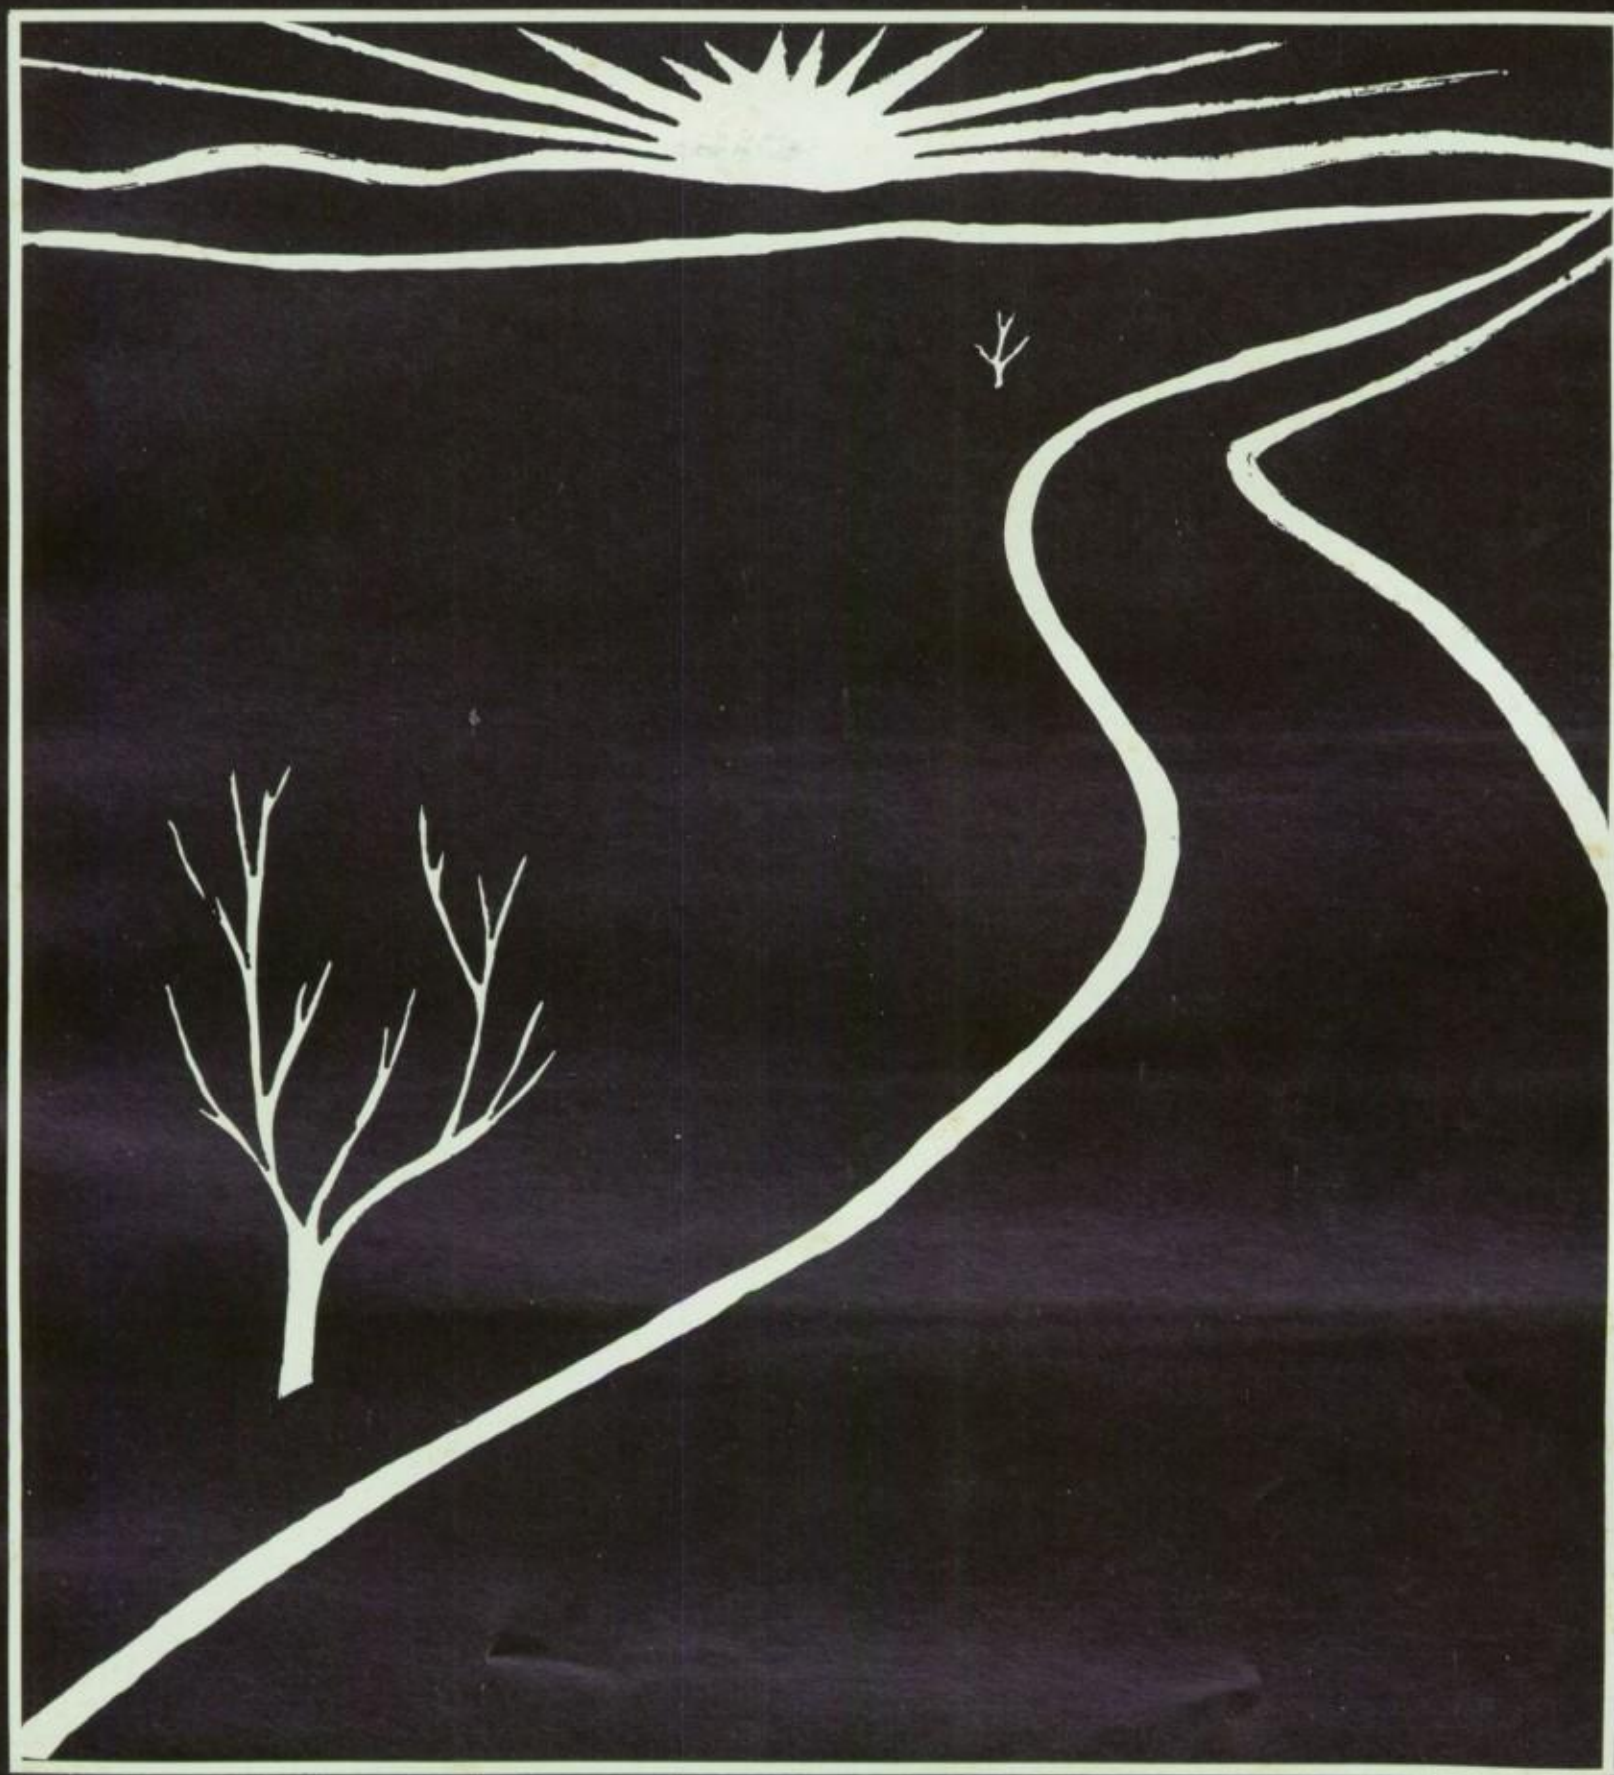

We congratulate you, Mrs. Brock, upon your selection as Pinecrest *Teacher of the Year*.

A large graphic of a pyramid composed of the word 'SENIORS' repeated many times, set against a starry night sky background. The pyramid is formed by the word 'SENIORS' repeated many times, with the words arranged in a way that they form a large, symmetrical triangular shape. The background is dark with many small white stars, and a bright star with a crosshair is visible on the left side.

"See It Through"

When you're up straight  
against a trouble,  
Lift your chin  
set your shoulders  
Plant your feet and  
take a brace;  
When it's vain to try to  
dodge it,  
You may fail, but  
may conquer,  
See It Through!

Black may be the  
clouds about you  
And your future may  
seem grim,  
But don't let your  
nerve desert you;  
Keep yourself in fighting trim  
If the worst is  
bound to happen,  
Running from it will  
not save you,  
See It Through!

Even hope may seem  
but Futile,  
When with trouble  
you're beset  
But remember you  
are facing  
Just what other  
men have met.  
You may fail,  
but fail still fighting;  
Don't give up,  
what ever you do  
Eyes front head high to the finish  
See It Through!

*Our loyal devotion

Go placidly amid the noise and haste, and remember what place there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story.

AVOID loud and aggressive persons; they are vexations to the spirit. If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans.

KEEP interested in your own career, however, humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trichery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism.

BE yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment it is perennial as the grass. Take kindly the counsel of the years, gracefully

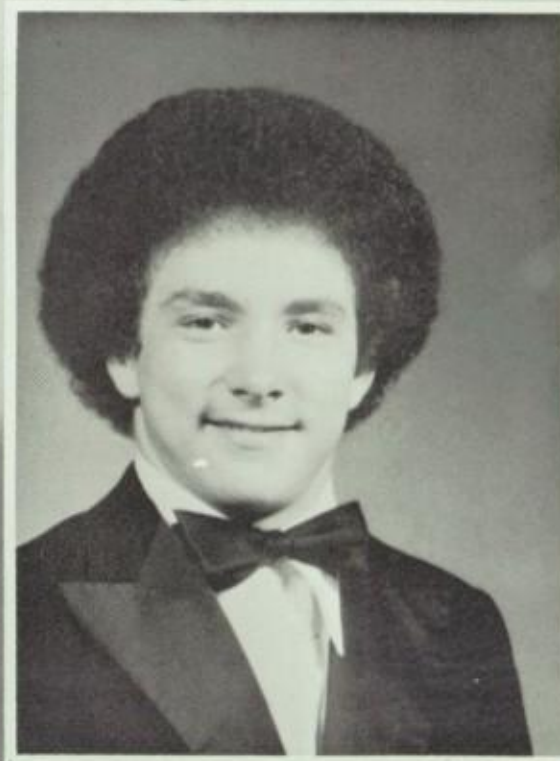

surrounding the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself.

YOU are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should.

THEREFORE be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life, keep peace with your soul. With all its shame, drudgery, and broken dreams, it is still a beautiful world. Be cheerful. Strive to be happy.

The Senior Class arrived at P. H.S. as Sophomores and placed 2nd in the float competition, a position destined for the next two years. "Daughters of Hardship" was sponsored by the Jr. Class as a money raising project for the Jr.-Sr. Prom.

The prom was held at the Pinehurst Hotel and the theme was "Stairway to Heaven." The class of '80 exhibited its dignity and sophistication on Spirit Day. The class of '80 is endowed with scholars, athletes, and spirited Patriots who are eagerly awaiting the Jr.-Sr. Prom, Senior Day, and graduation on which is the first day of the rest of their lives!

## Two Old Men

Two old men sat on a park bench  
Thinking of days gone by  
Dust  
One feeding pigeons  
One feeding ducks  
They sit Quietly  
Days gone  
Days over  
Thrown away like last week newspaper  
Trampled on like leaves in the park  
Dear, dead days  
Two old men sat on a park bench  
Passing the days away

— Marc Matney

## After the Play is over

The play  
Is over  
The lights  
Are dim  
The curtains  
Are drawn  
A lone actor  
Sits on stage  
His costume  
still on,  
His make up  
smearing his face.  
The sweat  
Gathers on his forehead  
He wipes it off.  
He walks the set  
Once more  
Conjuring up memories  
Of forgotten lines  
and lost props.  
He laughs,  
and sheds a tear.  
For this is the  
Last Night  
And the play  
Is over.

— Marc Matney

## Junkyard

A Clock Ticks slowly  
in the junkyard  
Waiting to claim  
the Throw-Aways

The rust reflects  
the dusk light  
eating metal

An old car  
snores in the  
back  
Biding its time  
until the heaven  
of Junkyards  
comes to claim him  
and carry him  
Home.

— Marc Matney

## Dressing Room

Make-up  
Scattered,  
Creams and Powders  
Mixed.  
Costumes  
Hung  
On Hangers,  
Glitter  
Sequins.  
Scripts  
Lying Face Down,  
Lines  
Marked.  
Leads  
and  
Chorus  
Side  
by  
Side.  
Dressing Room,  
Opening Night,  
Chaos.

— Marc Matney

There is a Sea of Love  
In which all people  
would like to be  
Drowned

But there is an  
Island in this  
Sea

And its name  
is  
Hate

But it is a  
very small  
Island

In a Very  
Large  
Sea.

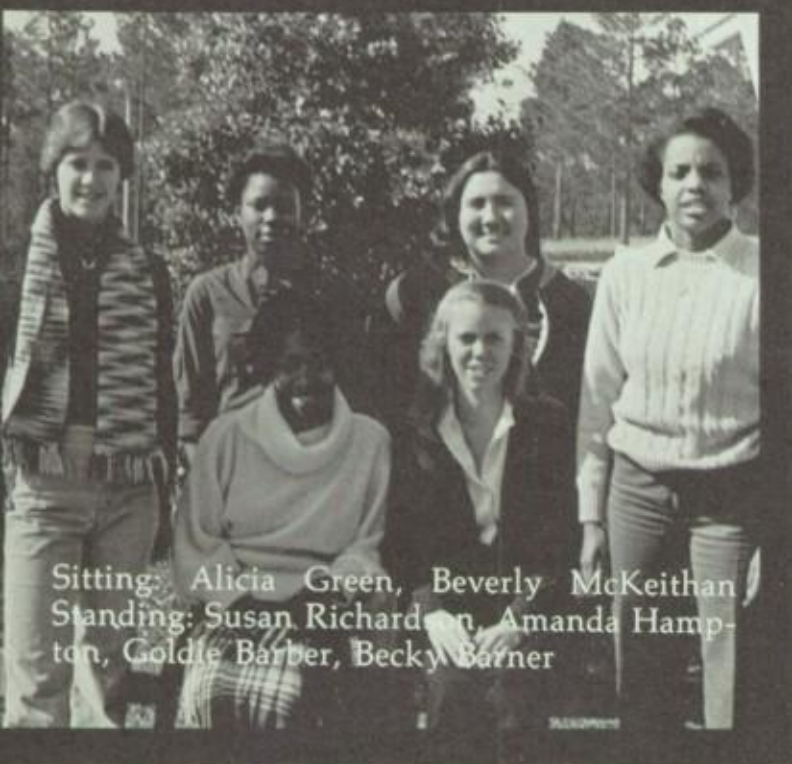

— Marc Matney  
Inspired by Fleetwood Mac's  
"Sara"

## We Remember

Bruce was one who had undying love  
He was always there and always cared  
When you needed a smile ...  
he was first in line ...  
White Bruce was on earth, he touched  
the hearts of many  
Although his life on earth was short,  
the memory of his wonderful  
personality, love and friendship  
will remain forever.  
We will see Bruce again  
In a better place and time  
But until then ...  
we will love him for what  
he was and miss him  
very dearly.

A large graphic of the word "ATHLETICS" repeated many times in a white, sans-serif font, arranged in a triangular shape against a black background with white stars. The word is repeated in two columns, with the right column being slightly offset to the right, creating a sense of depth and perspective. The stars are scattered across the background, with a few larger, more prominent ones.

## Girl's Tennis 1979-80 State Champions

Tennis is a sport that is growing tremendously in Popularity. It is a game in which coordination is as important as strength. The player body must become one with his mind and his reflexes timed to almost perfection. Although it may appear that it would be very easy to go out and hit that little ball across a low net with a good sized racket, if you have ever tried it, you know that it is not quite that way at all.

Tennis is said to be "The People's Sport". The people who made a good showing in the 1979 Fall Season were the girls on the Pinecrest Tennis Team. They ended their season with a 13 win, 0 loss record, and for a third consecutive year they have won the conference. The Lady Patriots were second in the sectional meet. There are many young players on the team who will be back next year to provide another exciting season at TENNIS!

*CONGRATULATIONS.*

# WRESTLING

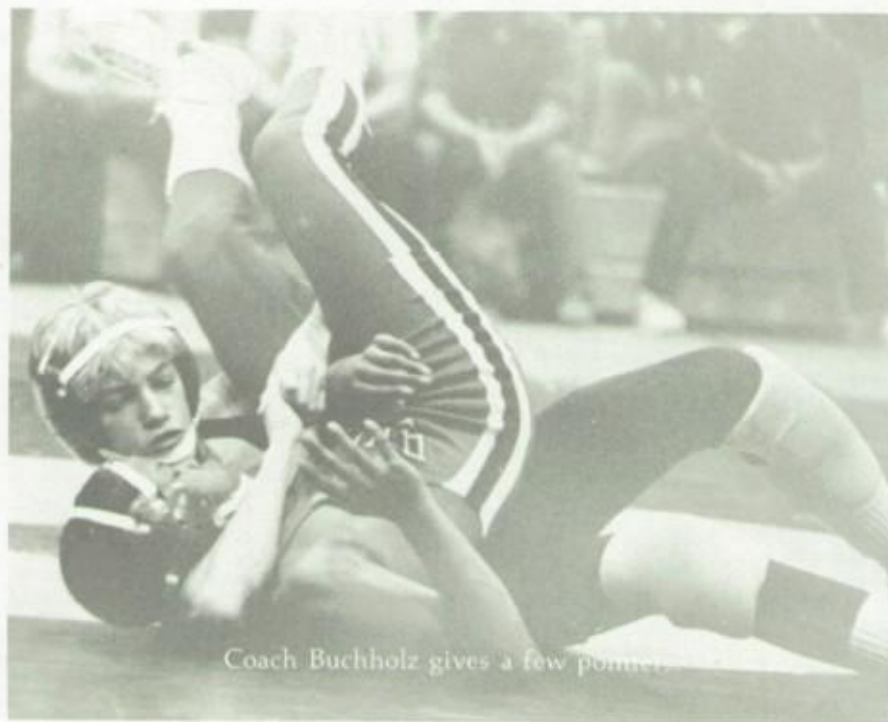

Ready! Set! Wrestle!

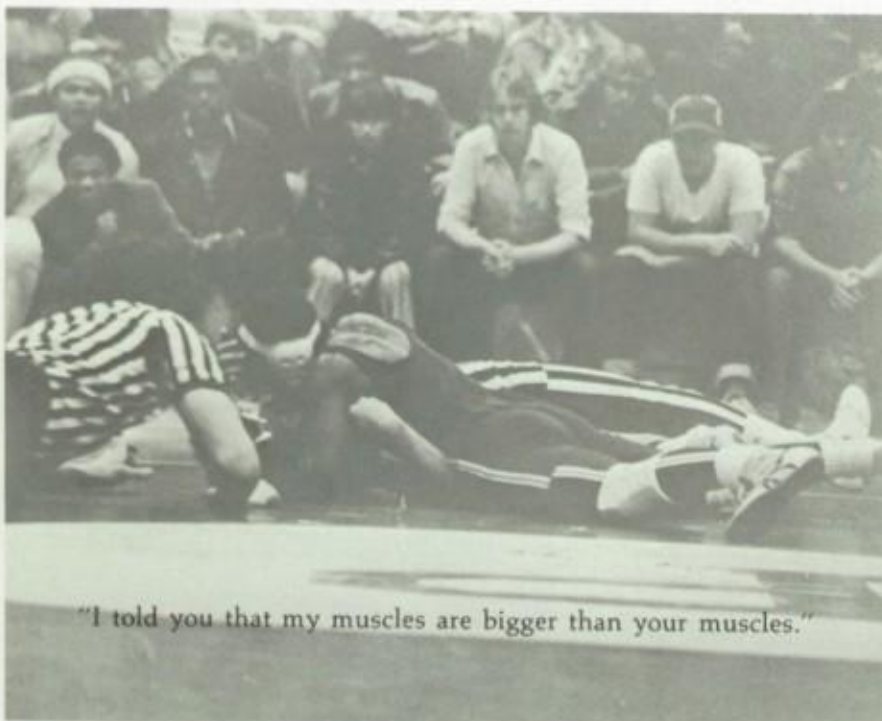

"Give up while you can breathe."

Wrestling takes a lot of hard work and practice. A wrestler must learn perhaps a dozen different moves and be able to perform in a moment's notice. If a mistake is made, very seldom is there a second chance.

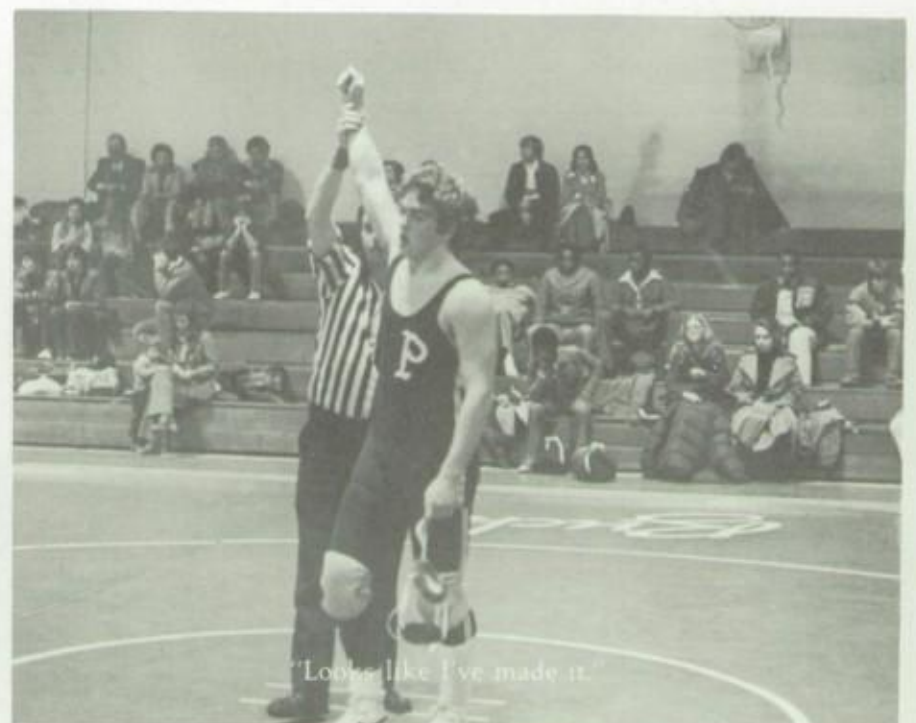

Coach Buchholz gives a few pointers.

A wrestler must be aggressive, alert, quick, and graceful. Our Pinecrest Wrestling Team has demonstrated the above qualities. Three of our Proud Patriots made the Regionals, Senior, John Monroe, Senior, Scott Spencer, Sophomore, Tim Fields. We hope they will mustle their way to State Competition. Hats off to the Patriots.

"I told you that my muscles are bigger than your muscles."

"Looks like I've made it."

A large, stylized graphic of a triangle composed of the word "ADVERTISING" repeated many times, set against a dark background with stars and a bright light source. The word "ADVERTISING" is written in a bold, sans-serif font, and the triangle is formed by the words being stacked and slightly offset to create a three-dimensional effect. The background is black with numerous small white dots representing stars, and a bright, multi-pointed starburst is visible on the left side.

Pinecrest Spanish Club (La Asamblea Espanola) is a club for students who are presently studying Spanish, at any level, and who wish to broaden their knowledge of the culture and people whose language they are studying. Under the leadership of President Donna Graham the club plans several fun, interesting and educational activities for the spring, such as special Pan American Week Observances and a Spanish — Latin American meal. For Christams, the club had a fiesta at the Little Clubhouse in Pinehurst, during which a meal was served, the traditional breaking of the pinata was carried out, and later the group went caroling around the neighborhood (in Spanish of course.)

Drill Team At Homecoming Parade

The Air Force Junior ROTC Drill Team provides those things basic to all clubs. It is a challenge; sense of belonging; companionship; individual and group pride; and a chance to complete. It teaches respect for authority and of discipline and leadership. Cadets learn very quickly how a mistake by a single member will disrupt the entire team. The Drill Team is involved in numerous community projects. They provide a color guard for the school athletic events and various civic and community organizations. One of their annual projects is to make Christmas decorations for each patient at Manor Care Nursing Home. Team Members are very close and really enjoy participating in Christmas parades and drill competition between JROTC units from other Schools.
